The Santa Barbara County  
Horticultural Society  
August General Meeting  
will be held on Wednesday August 3<sup>rd</sup>,  
7:00pm  
at the Trinity Evangelical Lutheran Church  
on the corner of Foothill and La Cumbre  
Road

### *'Under the Spell of Succulents'*

*presented by Jeff Moore*

Jeff will also bring his books, both *Under the Spell of Succulents*, and his new book, *Aloes and Agaves*, to sell and sign, along with plants.

Jeff will talk about 'Under the Spell of Succulents', which is also the title of his first book. His presentation will follow the flow of the book, which is an overview of succulents in cultivation. He will address how we engage with succulents – as growers, collectors, in landscaping, container gardens, and specialty niches, along with interludes that show the

major succulent groups: aloes, agaves, cacti, sedums, etc. Jeff has owned and operated his small retail nursery, Solana Succulents near San Diego, for almost 24 years, and will have some tales from the nursery that are sure to provide an entertaining evening for us.

**August Garden Tour:** Dorothy Warnock has invited us to tour her garden on *Saturday, August 13th, 10:00 - 11:00AM, at the intersection of Rockwood Boulevard and Mountain Drive.* This is on the west side of Mountain Drive not in Montecito. Take Mission Canyon to Foothill...turn right and follow to Mountain Drive. Turn left on Mountain Drive and follow it up the hill past the big cream building on your right. Please park on Rockwood Drive. Her garden has lots of bromeliads and succulents and is mostly drought tolerant. These events are for current members only. Please wear your name badge!

**Plant Sale:** We are getting ready for our annual fundraising sale on September 24<sup>th</sup>. It's time to think about what plants you can prepare and donate. Those members who are caring for leftover plants and garden statuary from last year - please remember to bring them in for the raffle table or prepare them for this year's sale. If you have any suggestions for plants that we should include in our sale please see Carol Terry at the meeting or email her at [plantnuts@verizon.net](mailto:plantnuts@verizon.net).
